## *President's Message*

Dear Guild Members:

We are entering a time when our Guild is needed more than ever to support our Orchestra musicians and the Pensacola Symphony Orchestra. We will not let them down!!! Along the way, we are going to build our membership and have some fun at our monthly luncheons, along with some social events to bond us more closely together!

At our first gathering, you will find a silent auction basket at the registration table. We have a new 50/50 person, too, Lisa Johnson, (who will be wearing gloves). Treasurer, Janet Puskar, will be available to register and/or take your payment for "Afternoon Delight, a Garden Party and Membership Social". Details are in this Newsletter. Spouse/significant others and potential members are welcome.

We encourage you to invite a potential member to our kick off meeting, as well, by registering each with your guest's name and the \$25 meal choice.

Your board and committee chairs are all looking forward to seeing you at our September 2, 2020 kickoff luncheon. We have sincerely missed you! Doors open at 11:00 at New World Landing. Meeting starts at 11:30.

Please mask up, we will be social distancing by sitting three Members per table.

Trisha Woodburn, President
